

K-Love serves myself and my kids uplifting music no bad spots as I heard on someones station the other day about nude dancing. NO THANK YOU! We get new, weather and the LOVE OF THE LORD from our family out in the realm of the Lord. Not of this man's world. The only death on this station is rectified. Not like other stations talking of death and drugs, someone left me because I'm no good so I'll go get drunk. I think kids should listen to uplifting and life giving music and talk. Which in turn helps them with their self esteem and much more. When I hear my 8 and 10 years olds start singing My Redeemer Lives out of the blue I know K-LOVE IS WORKING. It's the only station I have on in my car and at home.

In the interest of the public we need more Love on the radio to let people know they are Loved that's all anyone really wants. Is to be loved. This radio station says that out loud. When ever anyone turns on K-Love that's just what they get LOVE! Why do you think people are acting up all over the world, they need LOVE. The community needs the love and support through K-LOVE as K-LOVE needs support and love from the community. IT'S ALL ABOUT FAMILY!
